“*Health care professional*” means a physician, physician assistant, registered nurse or advanced registered nurse practitioner licensed in Iowa by the respective licensing board.

“Health-related care” means services provided by a registered nurse or a licensed practical nurse, on a part-time or intermittent basis, and services provided by other licensed health care professionals, on a part-time or intermittent basis. “Health-related care” includes nurse-delegated assistance.

“Human service professional” means an individual with a bachelor’s degree in a human service field including, but not limited to: human services, gerontology, social work, sociology, psychology, or family science. Two years of experience in a human service field may be substituted for up to two years of the required education. For example, an individual with an associate's degree in a human service field and two years of experience in a human service field is a human service professional.

“Impaired decision-making ability” means a lack of capacity to make safe and prudent decisions regarding one’s own routine safety as determined by the program manager or nurse or means having a GDS score of four or above.

“Indirect supervision” means the provision of guidance and oversight of a delegated nursing task through means other than direct supervision, including written and verbal communication.

“Instrumental activities of daily living” means those activities that reflect the tenant’s ability to perform household and other tasks necessary to meet the tenant’s needs within the community, which may include but are not limited to shopping, housekeeping, chores, and traveling within the community.

“Medication setup” means assistance with various steps of medication administration to support a tenant’s autonomy, which may include but is not limited to routine prompting, cueing and reminding, opening containers or packaging at the direction of the tenant, reading instructions or other label information, or transferring medications from the original containers into suitable medication dispensing containers, reminder containers, or medication cups.

“Modification” means any addition to or change in physical dimensions or structure, except as incidental to the customary maintenance of the physical structure of the program’s facility.

“Monitoring” means an on-site evaluation of a program, a complaint investigation, or a program-reported incident investigation performed by the department to determine compliance with applicable requirements. A monitor who performs a monitoring for the department shall be a registered nurse, human service professional, or another person with program-related expertise.

“Noncertified staff” means unlicensed and uncertified personnel employed by the program.

“Nurse delegation” means the action of a registered nurse, advanced registered nurse practitioner, or licensed practical nurse to direct competent certified and noncertified staff to perform selected nursing tasks in selected situations. The decision of a nurse to delegate is based on the delegation process, including assessment, planning, implementation, supervision, and evaluation of the tenant, nursing tasks, personnel, and the situation. The nurse, as a licensed professional, retains accountability for the delegation process and the decision to delegate. Licensed practical nurses may delegate within the scope of their license with the supervision of a registered nurse.

“Occupancy agreement” or *“contractual agreement”* means a written contract entered into between a program and a tenant that clearly describes the rights and responsibilities of the program and the tenant and other information required by applicable requirements. An occupancy agreement may include a separate signed lease and signed service agreement.

“Part-time or intermittent care” means licensed nursing services and professional therapies that are provided no more than 5 days per week; or licensed nursing services and professional therapies that are provided 6 or 7 days per week for a temporary period of time with a predictable end within 21 days; or licensed nursing services and professional therapies that do not exceed 28 hours per week or, for adult day services, 4 hours per day and are provided in combination with nurse-delegated assistance with medications or activities of daily living.

“Personal care” means assistance with the essential activities of daily living which may include but are not limited to transferring, bathing, personal hygiene, dressing, and grooming that are essential to the health and welfare of a tenant.
