63.16(1) Fund. Juvenile home instructional programs shall be accounted for in a special revenue fund. The fund balances shall be maintained in the special revenue fund at year end, and the continuance or disposition of positive or negative fund balances shall be determined by the department of education.

63.16(2) Tuition. Tuition paid or received shall be calculated as follows:

a. If juvenile home students not requiring special education attend a local school district, other than the district of residence, tuition shall be calculated in the manner prescribed in Iowa Code section 282.24 for determining tuition costs for any nonresident student attending a local school district. In lieu of paying tuition to the local school district for these students, the AEA may request the local school district to account for these students through the foster care facility claim process.

b. Tuition for students provided a special education program pursuant to an IEP shall be paid by the district of residence, in accordance with the rules of special education and pursuant to Iowa Code chapter 282, to the district in which the juvenile home is located or to the AEA, whichever is providing the special education. The district in which the juvenile home is located or the AEA, whichever is providing the special education, shall notify the district of residence if the child was being served on the third Friday in September by the district in which the home is located or by the AEA. The district in which the juvenile home is located or the AEA, whichever is providing the special education, shall also notify the district of residence if the child was being served on December 1 by the district in which the home is located or by the AEA.
