

281—98.13 (256C,257) Statewide voluntary four-year-old preschool program. The statewide voluntary four-year-old preschool program is a program for a specific category of students. Funding for the program is for the purpose of providing a high-quality early learning environment for four-year-old children whose families choose to access such programs.

98.13(1) *Appropriate uses of categorical funding.* Because the program is specifically instructional, expenditures generally are limited to the functions of instruction, student support services and staff support services, but include expenditures required in 281—Chapter 16.

98.13(2) *Inappropriate uses of categorical funding.* Inappropriate uses of the statewide voluntary four-year-old preschool program funding include, but are not limited to, indirect costs or use charges, capital expenditures other than equipment, facility acquisition, debt service, operational or maintenance costs or administrative costs that supplant, or any other expenditures not directly related to providing the statewide voluntary four-year-old preschool program or that supplant existing public funding for preschool programming.
