

281—98.19(257) Reorganization incentive weighting. Reorganization incentive weighting provides funding in addition to the student count that generates general purpose revenues and is for the purpose of incenting reorganization of school districts to increase student learning opportunities. It is assumed that reorganization incentive weighting covers only a portion of the costs of reorganizing and shall be fully expended within the fiscal year. Therefore, school districts are not required to account for the reorganization incentive weighting funding separate from the general purpose revenues.
