ILO courses are intended to help Iowa school districts expand learning opportunities by providing opportunities for individual students to take one or more courses offered “at a distance” using technologies such as the Internet and interactive videoconferencing. Participating school districts and accredited nonpublic schools may also enroll students in ILO courses if online learning is more suited to a specific student’s circumstances. ILO may also provide distance education to a student receiving independent private instruction as defined in Iowa Code section 299A.1(2) “b,” competent private instruction under Iowa Code section 299A.2, or private instruction by a nonlicensed person under Iowa Code section 299A.3.
