

281—33.10(256) Transportation of homeless children and youth.

33.10(1) Intent. A child or youth, a preschool child if the school offers tuition-free preschool, or a preschool child with a disability who meets the definition of homeless in these rules shall not be denied access to a free, appropriate public education solely on the basis of transportation. The necessity for and feasibility of transportation shall be considered, however, in deciding which of two districts would be in the best interests of the homeless child or youth. The dispute resolution procedures in rule 281—33.9(256) are applicable to disputes arising over transportation issues.

33.10(2) Entitlement. Following the determination of the homeless child or youth's appropriate school district under rule 281—33.8(256) or 281—33.9(256), transportation shall be provided to the child or youth in the following manner:

a. If the appropriate district is determined to be the district in which the child or youth is actually living, transportation for the homeless child or youth shall be provided on the same basis as for any resident child of the district, as established by Iowa Code section 285.1 or local board policy.

b. If the appropriate district is determined to be a district other than the district in which the child or youth is actually living, the district in which the child or youth is actually living (sending district) and the district of origin shall agree upon a method to apportion the responsibility and costs for providing the child with transportation to and from the receiving district. If these districts are unable to agree upon such method, the responsibility and costs for transportation shall be shared equally.

c. Rescinded IAB 7/7/04, effective 8/11/04.
