

571—39.4(462A) Incorrect registration. When information contained on the registration certificate of a vessel is found to be incorrect regarding vessel length, vessel width, or passenger capacity, officers appointed by the department of natural resources may, upon inspection of the vessel, or the county recorder, upon presentation of adequate documentation including, but not limited to, an affidavit by the owner, may change the information on the certificate.

The officer shall within four days notify the department of natural resources and the county recorder of the county in which the vessel is registered of the changes on DNR Form 542-8094.
