

61—39.1(12) Definitions. As used in this chapter, the following definitions apply:

“Applicant” means a person or entity that applies for funding from the department.

“Application process” means the set of rules, requirements, and procedures outlined in the notice of funding opportunity on the department’s website that applicants must follow to apply for opioid settlement funding.

“Department” means the department of justice and the Iowa attorney general’s office.

“Eligible projects” means projects that fall within the national opioid settlement’s listed core strategies and approved uses.

“Fund” means the state of Iowa’s opioid settlement fund as described in Iowa Code section 12.51.

“Intended outcomes” means the specific goals, impacts, or measurable results that a proposed project or program aims to achieve. These outcomes include but are not limited to prevention of opioid-related deaths, reduction of opioid misuse, and increased access to opioid-use disorder medications and services.

“Notice of funding opportunity” means the department’s solicitation for proposals for the use of opioid settlement dollars to support eligible projects.

“Request” means applications for funding submitted to the department by applicants.
