

701—215.7(423) Wind energy conversion property. The sales price from the sale of property used to convert wind energy to electrical energy or the sales price from the sale of materials used to manufacture, install, or construct property used to convert wind energy to electrical energy is exempt from tax.

For the purposes of this rule, “property used to convert wind energy to electrical energy” means any device which converts wind energy to usable electrical energy including, but not limited to, wind chargers, windmills, wind turbines, pad mount transformers, substations, power lines, and tower equipment.

This rule is intended to implement Iowa Code section 423.3(54).
