

701—257.4(421B) Retail redemption of coupons. The redemption of coupons by retailers, which coupons were supplied to consumers by manufacturers and will be redeemed from the retailers by the manufacturers, does not affect the minimum sales price of cigarettes. The retailer is still receiving the statutory minimum price even though that price is paid by two different persons, the consumer and the manufacturer. (See 1986 O.A.G. 68.) Manufacturer incentives to the consumer in lieu of a coupon which reduce the cost of the cigarettes to the consumer do not affect the minimum sales price of cigarettes when the manufacturer absorbs the loss for the incentive.

This rule is intended to implement Iowa Code section 421B.3.
