

567—71.3(455B) Dams. Approval by the department for construction, repair, or modification of any dam shall be required when the dam exceeds the thresholds under rule 567—73.3(455B). Other structures across a stream may require approval under rule 567—71.12(455B).

This rule is intended to implement Iowa Code sections 455B.262, 455B.264, 455B.267, 455B.275 and 455B.277.
