

501—9.1(80B) Jailer training.

9.1(1) Basic training. All jail administrators shall meet the following requirements within six months of appointment. Jailers shall meet the following requirements within one year of employment:

a. First aid and cardiopulmonary resuscitation.

(1) The individual shall hold a current course completion card in cardiopulmonary resuscitation, AED and foreign body airway obstruction for adults according to national standards recognized by the Iowa law enforcement academy.

(2) The individual shall hold a current course completion card in first aid according to the national standards recognized by the Iowa law enforcement academy, or shall hold one of the following:

1. Certification as an Iowa law enforcement emergency care provider (ILEECP) by the Iowa law enforcement academy.

2. Certification by the Iowa department of public health as an emergency medical responder or higher.

3. Certification of completion of a first-aid training program appropriate to jail usage which was developed by a sheriff's department. First-aid training criteria shall include, at a minimum, the following topics:

- Shock.
- Bleeding control.
- Burns.
- Soft tissue and bone/joint injuries.
- Difficulty breathing.
- Chest pain.
- Allergic reaction.
- Poisoning.
- Seizures.
- Diabetic emergencies.
- Heat and cold emergencies.
- Suicide.

All instructors providing training pursuant to 9.1(1)“a”(2)“3” shall be certified pursuant to subrule 9.2(2).

4. Licensure to practice as a licensed practical nurse, registered nurse or medical practitioner in the state of Iowa.

(3) The individual shall be certified as an instructor by the American Heart Association, the American Red Cross or other national program as approved by the academy.

(4) All certification or licensure required by this rule must thereafter be maintained current according to the standards of the certifying or licensing agency.

b. Either the successful completion of a 40-hour training program approved by the academy or the successful completion of a National Sheriffs' Association correspondence course shall be applicable to jailers and administrators employed in all jails pursuant to subrule 9.2(1). Either course must be appropriately documented to reflect course content, length of session, and instructor(s). All instructors presenting classes either in the 40-hour training or continuing education program shall be certified by academy personnel utilizing certification standards adopted by the academy. It shall be the responsibility of the training program director to make certain all instructors are certified and the training program is approved.

c. All staff providing medication shall be trained in accordance with the Iowa state sheriffs' and deputies' association medication training program or other program approved by the Iowa board of pharmacy.

9.1(2) Continuing education. During each fiscal year of employment following completion of the required basic training as set forth in subrule 9.1(1), paragraphs “a” and “b,” jailers and the administrator

of a jail shall complete 20 hours of in-service training, not to include proficiency in first aid, CPR recertification, chemical agents, or firearms qualification.

This rule is intended to implement Iowa Code section 80B.11.
