e. That the licensee is a veteran.

(1) To be eligible for a veteran designation, the licensee must be an honorably discharged veteran of the armed forces of the United States, the national guard or reserve forces. A licensee who requests a veteran designation shall submit Form 432035, properly completed by the licensee and a designee of the Iowa department of veterans affairs, or the licensee shall present certification of release or discharge from active duty, DD form 214, to the department indicating that the licensee was honorably discharged from active duty. A licensee who was a member of the national guard or reserve forces and who applies directly to the department must present a DD form 214 which indicates that the licensee was honorably discharged after serving for at least a minimum aggregate (total) of 90 days of active duty service for purposes other than training. A licensee who was a member of the national guard or reserve forces and who has a discharge document other than a DD form 214 must have the licensee's eligibility for a veteran designation determined by a designee of the Iowa department of veterans affairs and shall apply to the department for a veteran designation by submitting Form 432035, properly completed by the licensee and a designee of the Iowa department of veterans affairs.

(3) If the department denies issuance of a license with a veteran designation upon presentation of the DD form 214 to the department, the licensee may obtain a license with a veteran designation if the licensee submits Form 432035, properly completed by the licensee and a designee of the Iowa department of veterans affairs.

(4) If the department issues a veteran designation in error or as the result of fraud on the part of the licensee, the driver's license with a veteran designation shall be canceled, and a duplicate license without

the designation may be issued to the licensee. There shall be no charge to issue a duplicate license if the license was issued in error, unless the error was the result of fraud on the part of the licensee.
