

567—209.6(455B,455E) Eligible projects. The department may provide financial assistance to applicants for the following types of projects that are consistent with the goal and purpose of this program:

1. Best practices — practices and programs that will move Iowa toward long-term pollution prevention, waste reduction and recycling sustainability;
2. Education — practices and programs that are consistent with a coordinated statewide message on pollution prevention, waste reduction, and recycling to ensure ongoing support of these integrated solid waste management activities; and
3. Market development — practices and programs that develop a demand for value-added recyclables sufficient to provide increased and stable commodity markets.
