

871—62.13(15,76GA,SF2351) Supplemental 1.5 percent withholding. For the purposes of determining new jobs training programs established under Iowa Code section 260J.1 eligible to receive a supplemental new jobs credit of 1.5 percent of gross wages from withholding, the following criteria will be met:

62.13(1) Only those new jobs training programs established by a 260E final agreement, approved by the community college board of directors after June 30, 1996, and that include a provision for a supplemental new jobs credit from withholding from jobs created under the agreement are eligible for the supplemental credit.

62.13(2) The department will make available to the community colleges the applicable laborshed wages at the beginning of each state fiscal year for use in determining supplemental withholding credit eligibility for that fiscal year.

62.13(3) For the purposes of determining eligibility for the supplemental credit, starting wages for a new job will be determined on a one-time basis by the community college as follows:

a. The employer will agree, as a part of the final agreement, to pay starting wages that are equal to or greater than the laborshed wages.

b. Only those individual jobs for which the starting wage is equal to or greater than the laborshed wages are eligible for the supplemental new jobs credit from withholding.

c. For purposes of comparing starting wages to the laborshed wages, the community college will reduce the annual gross wages to be paid for the job to an hourly wage based upon a 40-hour workweek.

d. Such determination by the community college will be conclusive and the individual job will thereafter be eligible and may be used for the supplemental credit from withholding to fund the supplemental project under the agreement.

e. Future annual changes in laborshed wages will not affect the eligibility of those jobs that have been determined by the community college to be eligible at the time of final agreement for a project.

62.13(4) The community college may require the employer to supply appropriate payroll records and projections to verify eligibility of the supplemental credit.

This rule is intended to implement the provisions of 1996 Iowa Acts, Senate File 2351, section 8, effective July 1, 1996, and does not affect agreements that do not contain a provision for a supplemental new jobs credit from withholding.
