“*Growler*,” for the purposes of this rule, means any fillable and sealable glass, ceramic, plastic, aluminum, or stainless steel container designed to hold beer or high alcoholic content beer.

“*Original container*,” for the purposes of this rule, means a vessel containing beer that has been lawfully obtained and has been securely capped, sealed, or corked at the location of manufacture. For special class “A” beer permit holders, an “original container” includes a tank used for storing and serving beer.

- c. A growler shall be filled or refilled only on demand by a consumer at the time of the sale.
- d. A growler shall be filled or refilled only with beer from the original container procured from a class “A” beer permittee unless the beer being used to fill or refill a growler on the premises of a special class “A” beer permit holder was manufactured by that special class “A” beer permit holder on the permitted premises.
- e. A retailer may exchange a growler to be filled or refilled.
- f. The filling or refilling of a growler shall at all times be conducted in compliance with applicable state and federal food safety statutes and regulations.

- b. A plastic heat shrink wrap band, strip, or sleeve shall extend around the cap or lid or over the stopper or plug to form a seal that must be broken upon the opening of the growler. A lid permanently affixed with a can seamer shall not require a plastic heat shrink wrap band, strip, or sleeve.
- c. The heat shrink wrap seal shall be so secure that it is visibly apparent when the seal on a growler has been tampered with or a sealed growler has otherwise been reopened.
- d. A growler shall not be deemed an open container, subject to the requirements of Iowa Code sections 321.284 and 321.284A, provided the sealed growler is unopened and the seal has not been tampered with and the contents of the growler have not been partially removed.

**4.6(4) Restrictions.**

- a. A growler shall not be filled in advance of a sale.
- b. A growler filled pursuant to this rule shall not be delivered or direct-shipped to a consumer.
