

261—174.3 (15,15G,83GA,SF344) Qualifying wage threshold requirements—prior to July 1, 2009. 2009 Iowa Acts, Senate File 344, became effective on July 1, 2009. 2009 Iowa Acts, Senate File 344, repealed a number of programs administered by the department, established IVF(2009), and transferred moneys from prior programs to the IVF(2009). This resulted in a simplification of state financial assistance programs. The following subrules regarding qualifying wage thresholds apply to awards made on or before June 30, 2009. This rule shall apply to the prior programs and funding sources until such time as the contracts for these prior programs are closed by the department.

174.3(1) *Qualifying wage threshold requirement—projects receiving IVF(FES) assistance.* Awards funded during the time period beginning July 1, 2003, but before June 16, 2004, from IVF(FES) shall meet the wage requirements in effect at that time as reflected in the contract between the department and the business. Awards funded after June 16, 2004, using IVF(FES) moneys shall meet the qualifying wage thresholds for the programs through which funding is sought.

174.3(2) *Qualifying wage threshold requirement—projects receiving IVF (2005) assistance.* In order to receive financial assistance from the IVF (2005), applicants shall demonstrate that the annual wage, including benefits, of project jobs is at least 130 percent of the average county wage. If an applicant is applying for IVF (2005) moneys, the department will first review the application to ensure that the IVF (2005) wage requirement is met. The department will then review the application for compliance with the requirements of the department program from which financial assistance is to be provided.

174.3(3) *Qualifying wage threshold requirement—projects funded by program funds (“old money”).* Prior to July 1, 2003, direct financial assistance programs administered by the department were funded through state appropriations. After the creation of IVF(FES) and IVF (2005), these programs no longer received separate state appropriations. These programs were funded with IVF(FES) and IVF (2005) moneys. Moneys remaining, recaptured or repaid to these program funds remain available for awarding to projects. The department will review an application for compliance with the requirements of the department program from which financial assistance is to be provided.

174.3(4) *Qualifying wage threshold requirement—projects receiving EDSA funds.* EDSA is the job creation component of the federal CDBG program. The department will review an application for compliance with the federal CDBG EDSA requirements.

174.3(5) *Qualifying wage thresholds, by funding source and by program.*
