

701—65.4(452A) Special fuel distributors. Any person who sells special fuel in bulk for highway or aircraft use must be licensed as a distributor pursuant to Iowa Code section 452A.36. Dispensing special fuel into a motor vehicle or aircraft special fuel holding tank shall not be considered “selling special fuel in bulk.” (See rule 701—63.26(452A) relating to licensed distributors.)

This rule is intended to implement Iowa Code section 452A.36.
