

871—24.2(96) Procedures for workers desiring to file a claim for benefits for unemployment insurance.

24.2(1) Section 96.6 of the employment security law of Iowa states that claims for benefits shall be made in accordance with such rules as the department prescribes. The department of workforce development accordingly prescribes:

a. Following separation from work, any individual, in order to establish a benefit year during which the individual may receive benefits because of unemployment shall report in person to the nearest workforce development center which takes claims and shall file an initial claim for benefits and register for work.

(1) An individual may file an initial claim for unemployment benefits by telephone, in person or other means prescribed by the department or may call the service center during regular business hours. Claims filed in accordance with this rule shall be deemed filed as of Sunday of the week in which the claim is filed.

(2) Reserved.

b. The procedure for filing an initial claim. An individual, following a separation from work, shall report in person at the nearest workforce development center with the individual's social security number, and the individual shall register for work and file a claim for benefits on the Form 60-0330, Application for Job Placement Assistance and/or Job Insurance, prescribed by the department and shall provide, in addition to other requested information, the following information:

(1) The name and complete mailing address of such individual's last employing unit or employer;

(2) The location of the last job;

(3) Last day of work;

(4) The reason for separation from work;

(5) That such individual is unemployed;

(6) That the individual registers for work;

(7) The individual's last job occupation;

(8) Number, name and relationship of any dependents claimed. As used in this subparagraph, "dependent" is defined as: spouse, son or daughter of the claimant, or a dependent of either; stepson or stepdaughter; foster child or child for whom claimant is a legal guardian; brother, sister, stepbrother, stepsister; father or mother of claimant, stepfather or stepmother of the claimant; son or daughter of a brother or sister of the claimant (nephew or niece); brother or sister of the father or mother of the claimant (uncle or aunt); son-in-law, daughter-in-law, father-in-law, mother-in-law, brother-in-law, or sister-in-law of the claimant; an individual who lived in the claimant's home as a member of the household for the whole year; cousin.

A "spouse" is defined as an individual who does not earn more than \$120 in gross wages in one week. The reference week for this monetary determination shall be the gross wages earned by the spouse in the calendar week immediately preceding the effective date of the claim.

A "dependent" means an individual who has been or could have been claimed for the preceding tax year on the claimant's income tax return or will be claimed for the current income tax year. The same dependent shall not be claimed on two separate monetarily eligible concurrent established benefit years. An individual cannot claim a spouse as a dependent if the spouse has listed the claimant as a dependent on a current claim.

(9) The option of filing for continued benefits by using the voice response continued claim system or by other means designated by the department.

(10) Such other information as required by the form.

c. All claimants on an initial claim shall state that they are registered for work and shall list their principal occupation. The claims taker will then assign a group code to the claimant to control the type of registration that is made. Code assignments will be based on all facts obtained at the time of the claim filing. The group codes are:

(1) Group "1" claimants are workers who have a definite attachment to a specific employer or trade and have reasonable employment prospects in a reasonable period of time. These claimants will be registered for work.

(2) Group “2” claimants are those individuals who do not otherwise meet the qualification for group “1,” “3,” “4,” “5,” or “6” under this section. Group “2” claimants may also include the following: claimants who were employed in demand occupations; irregular employment record (in reference to occupation); delay in claim filing; moved to address remote from labor market or transportation problems; unfavorable job prospects because of recent arrival in locality; farming activities; self-employment assuming otherwise eligible; students or prospective students; pensioners; domestic care or problems; previous fraud or overpayment record; physical impairment or poor health which would limit employability; personal or other restrictions (wages, hours, travel).

(3) Group “3” claimants are workers who are employed on a reduced workweek or temporarily unemployed for a period, verified by the department, of four consecutive weeks or less, due to a plant shutdown, vacation, inventory, lack of work or emergency from the individual’s regular “employer.” This group pertains only to those individuals who worked full-time and will again work full-time if the individual’s employment, although temporarily suspended, has not been terminated. After a period of temporary unemployment, claimants in this group are reviewed for placement in group “1,” “2,” “5” or “6.”

(4) Group “4” claimants are those individuals who have left employment in lieu of exercising their right to bump or oust a fellow employee with less seniority or priority from the fellow employee’s job. Group “4” claimants with an individual benefit year starting prior to July 1, 1984, shall be able to work, available for work and have the search for work provisions of Iowa Code section 96.4(3) waived. Group “4” claimants with an individual benefit year starting on or after July 1, 1984, shall have only the search for work provision of Iowa Code section 96.4(3) and the disqualification provision for failure to apply for or to accept suitable work of Iowa Code section 96.5(3) waived. The group “4” code shall not apply to weeks claimed under the extended benefit or federal supplemental compensation programs.

(5) Group “5” claimants are those individuals who are members of unions, trades, or professionals having their own placement facilities. Claimants assigned to this group will be registered for work. A paid-up membership is acceptable as evidence of membership in such an organization. Loss of membership shall result in an assignment to group “2.”

(6) Group “6” claimants are those individuals whose occupations are of a nature that utilize résumés or who are normally unable, due to factors such as occupation, distance, etc., to make in-person contacts for employment.

(7) Nothing in this rule shall be construed as prohibiting an authorized representative of the department from requiring claimants for unemployment insurance benefits to avail themselves of workforce development center referral and counseling services if deemed beneficial and necessary to obtain prompt reemployment, nor shall anything in this rule be construed to deny referral or counseling service to claimants for unemployment insurance benefits.

d. Reserved.

e. In order to maintain continuing eligibility for benefits during any continuous period of unemployment, an individual shall report as directed to do so by an authorized representative of the department. If the individual has moved to another locality, the individual may register and report in person at a workforce development center at the time previously specified for the reporting.

The method of reporting shall be weekly if a voice response continued claim is filed, unless otherwise directed by an authorized representative of the department. An individual who files a voice response continued claim will have the benefit payment automatically deposited weekly in the individual’s account at a financial institution or be paid by the mailing of a warrant on a biweekly basis.

In order for an individual to receive payment by direct deposit, the individual must provide the department with the appropriate bank routing code number and a checking or savings account number.

The department retains the ultimate authority to choose the method of reporting and payment.

f. After the initial claim has been filed, the claimant will receive from the local office or the administrative office a Form 65-5318, which is a notice of the action taken on the claim, and if such claimant is eligible for benefits this notice will state the date on which the benefit year will begin, the amount per week, and the maximum amount for which the claimant is eligible.

g. No continued claim for benefits shall be allowed until the individual claiming benefits has completed a voice response continued claim or claimed benefits as otherwise directed by the department. The weekly voice response continued claim shall be transmitted not earlier than noon of the Saturday of the weekly reporting period and, unless reasonable cause can be shown for the delay, not later than close of business on the Friday following the weekly reporting period.

An individual claiming benefits using the weekly voice continued claim system shall personally answer and record such claim on the system unless the individual is disabled and has received prior approval from the department.

The individual shall set forth the following:

- (1) That the individual continues the claim for benefits;
- (2) That except as otherwise indicated, during the period covered by the claim the individual was unemployed, earned no wages and received no benefits, was able to work and available for work;
- (3) That the individual indicates the number of employers contacted for work;
- (4) That the individual knows the law provides penalties for false statements in connection with the claim;
- (5) That the individual has reported any job offer received during the period covered by the claim;
- (6) Other information required by the department.

h. Effective starting date for the benefit year.

(1) Filing for benefits shall be effective as of Sunday of the current calendar week in which, subsequent to the individual's separation from work, an individual reports in person at a workforce development center and registers for work in accordance with paragraph "a" of this rule.

(2) The claim may be backdated prior to the first day of the calendar week in which the claimant does report and file a claim for the following reasons:

Backdated prior to the week in which the individual reported if the individual presents to the department sufficient grounds to justify or excuse the delay;

There is scheduled filing in the following week because of a mass layoff;

The failure of the department to recognize the expiration of the claimant's previous benefit year;

The individual is given incorrect advice by a workforce development employee;

The claimant filed an interstate claim against another state which has been determined as ineligible;

Failure on the part of the employer to comply with the provisions of the law or of these rules;

Coercion or intimidation exercised by the employer to prevent the prompt filing of such claim;

Failure of the department to discharge its responsibilities promptly in connection with such claim, the department shall extend the period during which such claim may be filed to a date which shall be not less than one week after the individual has received appropriate notice of potential rights to benefits, provided, that no such claim may be filed after the 13 weeks subsequent to the end of the benefit year during which the week of unemployment occurred. In the event continuous jurisdiction is exercised under the provisions of the law, the department may, in its discretion, extend the period during which claims, with respect to week of unemployment affected by such redetermination, may be filed.

(3) When the benefit year expires on any day but Saturday, the effective date of the new claim is the Sunday of the current week in which the claim is filed even though it may overlap into the old benefit year up to six days. However, backdating shall not be allowed at the change of a calendar quarter if the backdating would cause an overlap of the same quarter in two base periods. When the overlap situation occurs, the effective date of the new claim may be postdated up to six days. If the claimant has benefits remaining on the old claim, the claimant may be eligible for benefits for that period by extending the old benefit year up to six days.

i. An individual shall be entitled to partial benefits for any week of less than full-time work, provided the wages earned during such week are less than the individual's weekly benefit earning limit, plus \$15. If the individual has been placed on reduced employment the individual may be entitled to partial benefits, and should file a claim in accordance with the instructions pertaining to the partial claims procedure.

j. Reserved.

k. Any individual who is disqualified for benefits because of the individual's failure to report as directed to file a claim following the date specified may appeal to the department for the right to establish good cause for failure to report because of extraordinary circumstances. A representative of the department may deny the request and the decision may be appealed to an administrative law judge for a hearing and decision on the merits. If the petition is allowed the petitioner shall be allowed to file a claim for and receive full benefits for each week for which such claim is filed, if otherwise eligible.

24.2(2) Filing a claim for unemployment insurance benefits (not applicable to interstate claims).

a. A notice of claim filing, which includes the name and social security number of the individual claiming benefits, shall be sent to each base period employer on record and the last employer if different than the base period employer unless the separation issue has previously been adjudicated.

b. Even though the claims taker may believe that the claimant cannot meet the eligibility conditions required by statute, the claims taker shall in no instance refuse to accept a claim from any unemployed individual. If the claimant elects to file a claim, even though the claimant's eligibility may be questionable, the claim shall be accepted without hesitation. The claimant must provide adequate proof of identification such as a driver's license, car registration, or union membership card or supply personally identifying information.

c. If a claim was filed in a previous quarter and was determined not eligible because of no wage records, or lack of qualifying earnings, a benefit year has not been established and a new claim will be taken. A new claim should not be taken if the claimant previously has filed an ineligible claim in the same quarter unless the claimant insists on filing after being advised of ineligibility. The claims taker shall explain to the claimant that another claim filed in the same quarter would also be determined as ineligible because additional wage credits (if any) would not be available until a subsequent quarter. The claimant should be advised to file a new claim during the first full week of the next calendar quarter.

d. If the check of the files does not disclose a previous claim and the claimant states that a claim has not been filed during the past year, a new claim shall be taken.

e. Partially unemployed claims.

(1) A partially unemployed individual shall file a claim for benefits in the same manner as an initial claim for unemployment insurance.

(2) Reporting wages. A partially unemployed individual shall report all wages which are earned for each week benefits are claimed.

(3) A claimant in a continuous reporting status, employed with the same employer, may exceed the claimant's weekly benefit amount plus \$15 for four consecutive weeks before the individual is required to file an additional claim for benefits.

24.2(3) Filing a claim for unemployment insurance benefits (interstate only).

a. Initial interstate claims. The filing of an initial interstate claim shall conform to all requirements of this rule with the exception of the initial claim form. Both agent and liable states shall use the Initial Interstate Claim, Form 61-1000(IB-1), unless otherwise directed by the Interstate Handbook.

b. Rescinded IAB 8/6/03, effective 9/10/03.

24.2(4) Cancellation of unemployment insurance claim.

a. A request for cancellation of an unemployment insurance claim may be made by the individual in writing and be directed to the Unemployment Insurance Service Center, Department of Workforce Development, P.O. Box 10332, Des Moines, Iowa 50306. The statement must include the specific reason for the request and contain as much pertinent information as possible so that a decision can be made.

b. A cancellation request which is the result of employer coercion or intimidation shall be denied and the employer could be subjected to serious misdemeanor charges.

c. Cancellation requests within the ten-day protest period. The claims section, upon review of the timely request and before payment is made, may cancel the claim for the following reasons:

(1) The individual found employment or returned to regular employment within the protest period.

(2) Cancellation would allow the individual to refile at the change of a calendar quarter to obtain an increase in the weekly or maximum benefit amount or the individual would receive more entitlement from another state.

(3) The individual filed a claim in good faith under the assumption of being separated and no actual separation occurred.

(4) The individual did not want to establish a benefit year because of eligibility for a low weekly or maximum benefit amount.

d. Other valid reasons for cancellation whether or not ten-day protest period has expired.

(1) The individual has an unexpired unemployment insurance claim in another state and is eligible for a remaining balance of benefits.

(2) The individual received erroneous information regarding entitlement or eligibility to unemployment insurance benefits from an employee of the department.

(3) The individual has an unexpired railroad unemployment insurance claim with a remaining benefit balance which was filed prior to the unemployment insurance claim.

(4) The individual exercises the option to cancel a combined wage claim within the ten days allowed by federal regulation.

(5) The individual has previously filed a military claim in another state or territory. Wages erroneously assigned to Iowa must be deleted and an interstate claim must be filed.

(6) Federal wages have previously been assigned to another state or territory or are assignable to another state or territory under federal regulation. Federal wages erroneously assigned to Iowa must be deleted and the appropriate type of claim filed.

(7) The Iowa wages are erroneous and are deleted and the wages from one other state were used, the claim shall be canceled and the wages returned to the transferring state.

e. If a claim is canceled and becomes final with no appeal being filed, a valid claim with Iowa as the paying state shall not be reestablished with the same effective date.

f. Voiding a claim. If it is determined a claim has been filed under an incorrect social security number, the claim shall be voided rather than canceled.

g. All unemployment insurance claims canceled shall be clearly identified as such and the administrative record of the individual's file shall be destroyed three years after final action.

This rule is intended to implement Iowa Code sections 96.3(3), 96.3(4), 96.4(1), 96.4(3), 96.5(1) "h," 96.5(3), 96.6(1), 96.6(2), 96.15, 96.16, 96.19(4), 96.19(24), and 96.20.
