

650—23.3(153) Expanded function categories.

23.3(1) *Basic Level 1.* Dental hygienists or dental assistants who train in some, but not all, Level 1 expanded function procedures are deemed to be basic expanded function dental hygienists or dental assistants. Dental hygienists and dental assistants must be issued a certificate of completion for the corresponding function by a board-approved training program before performing a specific expanded function procedure. A dentist may delegate to dental hygienists or dental assistants only those Level 1 expanded function procedures for which training has been successfully completed.

23.3(2) *Certified Level 1.* Expanded function dental hygienists or dental assistants who have successfully completed training for all Level 1 expanded function procedures and have been issued a certificate of completion by a board-approved training program are deemed to be certified Level 1 dental hygienists or dental assistants.

23.3(3) *Certified Level 2.* Before beginning Level 2 training to become certified in Level 2, expanded function dental hygienists or dental assistants must have a minimum of one year of clinical practice as a certified Level 1 dental hygienist or dental assistant and pass an entrance examination administered by the Level 2 training program.

a. Dental hygienists or dental assistants who have successfully completed training in Level 2 expanded function procedures and have been issued a certificate of completion by a board-approved training program are deemed to be certified Level 2 dental hygienists or dental assistants.

b. A dentist may delegate any Level 1 or Level 2 expanded function procedures to dental hygienists or dental assistants who are certified Level 2.
