

261—31.13(81GA, HF868, HF809) Description and purpose. The department shall establish and administer a business accelerator program to provide financial assistance for the establishment and operation of a business accelerator for technology-based, value-added agricultural, information solutions, or advanced manufacturing start-up businesses or for a satellite of an existing business accelerator. The program shall be designed to foster the accelerated growth of new and existing businesses through the provision of technical assistance.
