

261—57.1(15E) Purpose and administrative procedures.

57.1(1) Purpose. The purpose of this program is to encourage the increased utilization of agricultural commodities produced in this state. The program shall assist in efforts to revitalize rural regions of this state by committing resources to provide financial assistance to new or existing value-added production facilities.

57.1(2) Administrative procedures. The VAAPFAP program is subject to the requirements of the department's rules located in 261—Part VII, additional application requirements and procedures, and 261—Part VIII, legal and compliance.
