

281—33.4(256) School records; student transfers. The school records of each homeless child or youth shall be maintained so that the records are available in a timely fashion when a child or youth enters a new school district, and in a manner consistent with federal statutes and regulations related to student records.

Upon notification that a homeless student intends to transfer out of the district, a school district shall immediately provide copies of the student's permanent and cumulative records, or other evidence of placement or special needs, to the homeless child or youth or the parent or guardian of a homeless child or youth who may take the copies with them.

Upon the enrollment of a homeless child or youth, a school district shall accept copies of records, or other evidence of placement provided by the homeless child, youth, or the parent or guardian of the homeless child or youth, for purposes of immediate placement and delivery of education and support services. Thereafter, the receiving school shall request copies of the official records from the sending school. The receiving school shall not dismiss or deny further education to the homeless child or youth solely on the basis that the prior school records are unavailable.
