

**567—123.3(455B,455D,455F) Regional collection center and mobile unit collection and consolidation center permits.**

**123.3(1) *Permit required.*** An RCC or MUCCC shall not be constructed or operated without a permit from the department.

**123.3(2) *RCC and MUCCC permit exemption.*** If an RCC or MUCCC is located at a permitted recycling or composting facility or sanitary disposal project, the RCC or MUCCC shall not be required to have its own permit; instead, the RCC or MUCCC activities may be amended into the host facility's permit.

**123.3(3) *Compliance.*** Every RCC and MUCCC must be in compliance with all state and federal statutes and regulations regarding the management, storage, transportation and disposition of household hazardous materials and hazardous materials from conditionally exempt small quantity generators.

**123.3(4) *Construction and operation.*** An RCC or MUCCC shall be constructed and operated according to the plans and specifications approved by the department and the conditions of the permit. The approved plans and specifications shall constitute a condition of the permit.

**123.3(5) *Transfer of title and permit.*** If title to an RCC or MUCCC is transferred, then the department shall transfer the permit within 60 days if the department has found that the following requirements have been met:

*a.* The title transferee has applied in writing to the department to request a transfer of the permit within 30 days of the transfer of title.

*b.* The permitted facility is in compliance with Iowa Code chapters 455B, 455D and 455F, this chapter and the conditions of the permit.

**123.3(6) *Permit conditions.*** Any permit may be issued subject to conditions that are specified in writing by the department and that are necessary to ensure that the facility is constructed and operated in compliance with Iowa Code chapters 455B, 455D and 455F, this chapter and local fire codes.

**123.3(7) *Effect of revocation.*** If a permit held by any public or private agency is revoked by the director, then no new permit for an RCC or MUCCC shall be issued to that agency for a period of one year from the date of revocation. Such revocation shall not prohibit the issuance of a permit for the facility to another public or private agency.

**123.3(8) *Inspection prior to commencing new operation.*** The department shall be notified before a facility begins operations. No household hazardous materials or hazardous waste from conditionally exempt small quantity generators shall be accepted by the facility until it has been inspected and approved by the department.

**123.3(9) *Duration and renewal of permits.*** A permit shall be issued and may be renewed for a period of three years, unless otherwise authorized by the department. If the permit applicant is a private agency under contract with a local government, the permit shall not extend past the end date of the contract.

**123.3(10) *Request and approval of permit renewal.*** A facility shall file a request for permit renewal by submitting Form 50H (542-1542) to the department at least 90 days before the expiration of the current permit. The department may request that additional information be submitted for review to make a permit renewal decision. The department shall renew the permit if, after a review and inspection of the facility and its compliance history, the department finds that the facility is in compliance with Iowa Code chapters 455B, 455D and 455F, this chapter, and the conditions of the permit, and is making a good-faith effort to maintain compliance. If the facility is found not to be in compliance with Iowa Code chapters 455B, 455D and 455F, this chapter, and the conditions of the permit, or if a good-faith effort to maintain compliance is not being made, the facility shall be brought into compliance or placed on a compliance schedule approved by the department before the permit is renewed.

**123.3(11) *Request for permit modification.*** A facility shall submit a request for permit modification in writing to the department with supporting documentation and materials. The department may request that additional information be submitted for review to make a permit modification decision.
