

876—4.21(86) Prehearing conference record. At the request of any attorney in the case, or at the discretion of a deputy commissioner or the workers' compensation commissioner, the entire prehearing conference or any designated part thereof shall be recorded and the cost of the reporter shall be assessed to the requesting party, or if directed by the commissioner or deputy commissioner, assessed as costs.

This rule is intended to implement Iowa Code sections 86.17 and 86.18.
