104.7(1) *Approved by the department.* “Approved by the department,” for purposes of this rule, means that the gaming laboratory has submitted its qualifications in writing to the director for review and approval in writing by the director or the director’s designee.

104.7(2) *Written evaluation—requirements.* The independent gaming laboratory’s evaluation must analyze whether chance plays a role equal to or greater than the players’ skill or knowledge in determining the outcome of the game. “Outcome of the game” includes both whether the player correctly solves the puzzle and what prize is awarded.
