

**657—35.36(17A,147,272C) Application for reinstatement.** Any person whose license has been revoked or has been voluntarily surrendered may apply for reinstatement. An application for reinstatement must be made in accordance with the terms specified in the board's order of revocation or order accepting the voluntary surrender. Any person whose license has been suspended and the board order imposing the suspension indicates that the respondent must apply for and receive reinstatement may apply for reinstatement in accordance with the terms specified in the board's order. All applications for reinstatement must be filed in accordance with this rule.

**35.36(1) Timing of application.** If the order for revocation, suspension, or acceptance of surrender of a license did not establish terms for reinstatement, an initial application for reinstatement may not be filed until at least one year has elapsed from the date of issuance of the order. Persons who have failed to satisfy the terms imposed by the board order revoking, suspending, or accepting surrender of a license shall not be entitled to apply for reinstatement.

**35.36(2) Initiated by respondent.** Reinstatement proceedings shall be initiated by the respondent, who shall file with the board an application for reinstatement of the respondent's license. Such application shall be docketed in the original contested case in which the license was revoked, suspended, or surrendered. The person filing the application for reinstatement shall immediately serve a copy upon the office of the attorney general and shall serve any additional documents filed in connection with the application.

**35.36(3) Contents.** The application shall allege facts and circumstances which, if established, will be sufficient to enable the board to determine that the basis for the revocation, suspension, or surrender no longer exists and that it shall be in the public interest for the license to be reinstated. The application shall include written evidence supporting the respondent's assertion that the basis for the revocation, suspension, or surrender no longer exists and that it shall be in the public interest for the license to be reinstated. Such evidence may include, but is not limited to, medical and mental health records establishing successful completion of any necessary medical or mental health treatment and aftercare recommendations; documentation verifying successful completion of any court-imposed terms of probation; statements from support group sponsors verifying active participation in a support group; verified statements from current and past employers attesting to employability; and evidence establishing that prior professional competency or unethical conduct issues have been resolved. The burden of proof to establish such facts shall be on the respondent.

**35.36(4) Review for conformity.** The executive director or designee shall review the application for reinstatement and determine if it conforms to the terms established in the board order that revoked, suspended, or accepted surrender of the license and the requirements imposed by this rule. Applications failing to comply with the specified terms or with the requirements in this rule will be denied. Such denial shall be in writing, stating the grounds, and may be appealed by requesting a hearing before the board.

**35.36(5) Hearing and order.** Applications not denied for failure to conform to the terms established in the board order that revoked, suspended, or accepted surrender of the license or requirements imposed by this rule may be set for hearing before the board. The hearing shall be a contested case hearing within the meaning of Iowa Code section 17A.12, and the order to grant or deny reinstatement shall incorporate findings of fact and conclusions of law. If reinstatement is granted, terms may be imposed. Such terms may include, but are not limited to, requiring the licensee to retake and pass an examination required for initial licensure, requiring the licensee to complete continuing education, restricting the licensee from engaging in a particular practice, and imposing a probationary term with monitoring requirements. Nothing shall prohibit the board from issuing an order granting reinstatement without terms, or from entering into a stipulated order granting reinstatement with terms, in the absence of a hearing.

**35.36(6) License reactivation.** A licensee whose license is reinstated must complete the requirements for license reactivation in order to receive an active license.

**35.36(7) Public record.** An order granting or denying reinstatement is a permanent public record open for inspection under Iowa Code chapter 22.
