

871—23.10(96) Payments in lieu of contributions.

23.10(1) An employer who has qualified for reimbursement payments or has had an election to become a reimbursable employer approved shall pay to the department an amount equal to the amount of regular or extended benefits paid, including benefits which are based on wage credits transferred from another employer. If extended benefits are in effect, employers shall reimburse one-half of the extended benefits paid; except governmental employers and Indian tribes shall reimburse all extended benefits paid.

23.10(2) At the end of each calendar quarter, the department shall bill each reimbursable employer. This statement shall be sent to the employer within 30 days of the quarter for which the benefits are charged and shall set out the social security number, name and amount of benefits charged to the employer for each such claimant together with the amount of any previous charges remaining unpaid and interest to the end of the quarter for which the statement is rendered. Payment of each quarter's charges shall be due within 30 days of the date the statement is sent. If the employer fails to reimburse the department within the period prescribed by these rules, the department may attempt collection of the amount due including any of the following methods:

- a.* Issuance of Notice of Jeopardy Assessment and Demand for Payment.
- b.* Issuance of Notice of Lien.
- c.* Any other actions as prescribed by the law or these rules including collection by distress warrant. Interest on delinquent reimbursable benefits shall be charged at the rate of 1 percent per month or one-thirtieth of 1 percent per day from the date payment was due until the date of payment.

This rule is intended to implement Iowa Code section 96.7(8).
