(2) Unless swimming is otherwise posted as prohibited or limited to the designated beach area, a person may also swim outside the beach area provided that the person swims within ten feet of a vessel which is anchored not less than 100 yards from the shoreline or the marked boundary of a designated beach. Any vessel, except one being uprighted, must be attended at all times by at least one person remaining on board.

(3) A passenger on a sailboat or other vessel may enter the water to upright or repair the vessel and must remain within ten feet of that vessel.

*d.* The provisions of paragraph “*a*” of this subrule shall not be construed as prohibiting wading in areas other than the beach by persons actively engaged in shoreline fishing.

*e.* Alcoholic liquor, beer, and wine, as each is defined in Iowa Code section 123.3, are prohibited on the beaches located within Lake Macbride State Park and Pleasant Creek State Recreation Area. This ban does not apply to rental facilities located within the 200-foot buffer of land surrounding the sand or fenced-in area that have been officially reserved through the department.

**61.7(3) Bottles.** Possession or use of breakable containers, the fragmented parts of which can injure a person, is prohibited in beach areas of state parks and recreation areas.

*a.* Lawful hunting as traditionally allowed at Badger Creek Recreation Area, Brushy Creek Recreation Area, Pleasant Creek Recreation Area, Mines of Spain Recreation Area (pursuant to rule 571—61.9(461A)), Volga River Recreation Area and Wilson Island Recreation Area.

**61.7(8) Motor vehicle restrictions.**

*a.* Except as provided in these rules, motor vehicles are prohibited on state parks, recreation areas and preserves except on constructed and designated roads, parking lots and campgrounds.

*b.* Use of motorized vehicles by persons with physical disabilities. Persons with physical disabilities may use certain motorized vehicles to access specific areas in state parks, recreation areas and preserves, according to restrictions set out in this paragraph, in order to enjoy the same recreational opportunities available to others. Allowable vehicles include any self-propelled electric or gas vehicle which has at least three wheels, but no more than six wheels, and is limited in engine displacement to less than 800 cubic centimeters and in total dry weight to less than 1,450 pounds.

(1) Permits.

1. Each person with a physical disability must have a permit issued by the director in order to use a motorized vehicle in specific areas within state parks, recreation areas, and preserves. Such permits will be issued without charge. One nonhandicapped companion may accompany the permit holder on the same vehicle if that vehicle is designed for more than one rider; otherwise the companion must walk.

2. Existing permits. Those persons possessing a valid permit for use of a motorized vehicle on game management areas as provided in 571—51.7(461A) may use a motorized vehicle to gain access to specific areas for recreational opportunities and facilities within state parks, recreation areas and preserves.

(2) Approved areas. On each visit, the permit holder must contact the park staff in charge of the specific area in which the permit holder wishes to use a motorized vehicle. The park staff must designate on a park map the area(s) where the permit holder will be allowed to use a motorized vehicle. This restriction is intended to protect the permit holder from hazards or to protect certain natural resources. The map is to be signed and dated on each visit by the park staff in charge of the area. Approval for use

of a motorized vehicle on state preserves also requires consultation with a member of the preserves staff in Des Moines.

(3) Exclusive use. The issuance of a permit does not imply that the permittee has exclusive or indiscriminate use of an area. Permittees shall take reasonable care not to unduly interfere with the use of the area by others.

(4) Prohibited acts and restrictions.

1. Except as provided in 61.7(8)“b,” the use of a motorized vehicle on any park, recreation area or preserve by a person without a valid permit or at any site not approved on a signed map is prohibited. Permits and maps shall be carried by the permittee at any time the permittee is using a motorized vehicle in a park, recreation area or preserve and shall be exhibited to any department employee or law enforcement official upon request.

2. The speed limit for an approved motor vehicle off-road will be no more than 5 mph. The permit of a person who is found exceeding the speed limit will be revoked.

3. The permit of any person who is found causing damage to cultural and natural features or abusing the privilege of riding off-road within the park will be revoked.

(5) Employees exempt. Restrictions in subrule 61.7(8) shall not apply to department personnel, law enforcement officials, or other authorized persons engaged in research, management or enforcement when in performance of their duties.

**61.7(9) Noise.** Creating or sustaining any unreasonable noise in any portion of any state park or recreation area is prohibited at all times. The nature and purpose of a person’s conduct, the impact on other area users, the time of day, location, and other factors which would govern the conduct of a reasonable, prudent person under the circumstances shall be used to determine whether the noise is unreasonable. Unreasonable noise includes, but is not necessarily limited to, the operation or utilization of motorized equipment or machinery such as an electric generator, motor vehicle, or motorized toy; or audio device such as a radio, television set, public address system, or musical instrument. Between the hours of 10:30 p.m. and 6 a.m., noise which can be heard at a distance of 120 feet or three campsites shall be considered unreasonable.

**61.7(10) Opening and closing times.** Except by arrangement or permission granted by the director or the director’s authorized representative or as otherwise stated in this chapter, the following restrictions shall apply: All persons shall vacate all state parks and preserves before 10:30 p.m. each day, except authorized campers in accordance with Iowa Code section 461A.46, and no person or persons shall enter into such parks and preserves until 4 a.m. the following day.

**61.7(11) Paintball guns.** The use of any item generally referred to as a paintball gun is prohibited in state parks, recreation areas and preserves.

**61.7(12) Restrictions on picnic site use.**

a. Open picnic sites marked with the international symbol of accessibility shall be used only by a person or group with a person qualifying for and displaying a persons with disabilities parking permit on the person’s vehicle.

b. Paragraph 61.7(12)“a” does not apply to picnic shelters marked with the international accessibility symbol. The use of the symbol on shelters shall serve only as an indication that the shelter is wheelchair accessible.

Individual members of a group must each sign a registration. Climbing or rappelling will not be permitted at Elk Rock State Park, Marion County;

Ledges State Park, Boone County; Dolliver Memorial State Park, Webster County; Stone State Park, Woodbury and Plymouth Counties; Maquoketa Caves State Park, Jackson County; Wildcat Den State Park, Muscatine County; or Mines of Spain Recreation Area, Dubuque County. Other sites may be closed to climbing or rappelling if environmental damage or safety problems occur or if an endangered or threatened species is present.

**61.7(14)** *Speech or conduct interfering with lawful use of an area by others.*

*a.* Speech commonly perceived as offensive or abusive is prohibited when such speech interferes with lawful use and enjoyment of the area by another member of the public.

*b.* Quarreling or fighting is prohibited when it interferes with the lawful use and enjoyment of the area by another member of the public.

**61.7(15)** *Deer population control hunts.* Deer hunting as allowed under Iowa Code section 461A.42(1) “c” is permitted only during special hunts in state parks as provided under 571—Chapter 105 and as approved by the commission.
