

650—51.33(17A) Publicizing disciplinary action.

51.33(1) Final decisions of the board relating to licensee discipline shall be transmitted to the appropriate state and national professional associations and news media, which may include a newspaper(s) of general circulation, and to other news media, person or organization upon request.

51.33(2) The board shall notify other boards of dentistry in states where the respondent is also licensed of disciplinary action taken against the Iowa licensee.

51.33(3) The board shall notify the American Association of Dental Examiners of disciplinary action taken against an Iowa licensee.

51.33(4) The board shall, in accordance with federal law, notify the National Practitioners Data Bank of disciplinary action taken against an Iowa licensee.
