

**761—607.17(321) Commercial driver’s license renewal.** The department will administer commercial driver’s license renewals as required by 49 CFR Section 383.73.

**607.17(1) Licensee requirements.** Unless eligible for electronic renewal pursuant to subrule 761—605.25(8), to renew a commercial driver’s license, the licensee shall apply at a driver’s license service center and complete the following requirements:

*a.* Provide a written self-certification of type of driving as required by rule 761—607.23(321) and, if required, provide a current medical examiner’s certificate unless the person’s medical examiner’s certificate is provided to the department electronically by the Federal Motor Carrier Safety Administration.

*b.* If the licensee currently holds and wants to retain a hazardous material endorsement, pass the test required in 49 CFR Section 383.121 and comply with the Transportation Security Administration security threat assessment standards specified in 49 CFR Section 383.71(b)(8) and 49 CFR Section 383.141 effective October 1, 2024, for such endorsement. A lawful permanent resident of the United States must also provide the licensee’s U.S. Citizenship and Immigration Services alien registration number.

*c.* Provide proof of citizenship or lawful permanent residency and state of domicile as required by rule 761—607.6(321) and 49 CFR Section 383.73(d)(7) unless proof of citizenship or lawful permanent residency was previously provided and the department has a notation on the licensee’s record confirming that the required proof of legal citizenship or legal presence check was made and the date on which it was made.

*d.* If the licensee is domiciled in a foreign jurisdiction and renewing a non-domiciled commercial driver’s license, provide a document required by 49 CFR Section 383.71(f) at each renewal.

**607.17(2) Early renewal.** A valid commercial driver’s license may be renewed 90 days before the expiration date. If this is impractical, the department for good cause may renew a license earlier, not to exceed 364 days prior to the expiration date. The department may allow renewal earlier than 364 days prior to the expiration date for active military personnel being deployed due to actual or potential military conflict.

This rule is intended to implement Iowa Code sections 321.186, 321.188 and 321.196.
