

**761—607.8(321) Endorsements.** All endorsements except the hazardous material endorsement continue to be valid without retesting or additional fees when renewing or upgrading a license. The endorsements that authorize additional commercial motor vehicle operations with a commercial driver's license are:

**607.8(1) Hazardous material.** A hazardous material endorsement (H) is required to transport hazardous materials. The hazardous material endorsement is only valid when the applicant or holder of the endorsement complies with the Transportation Security Administration's security threat assessment standards specified in 49 CFR Sections 383.71(b)(8) and 383.141 effective October 1, 2024. Before the department administers the knowledge test for a hazardous material endorsement to an applicant for the first time, the applicant shall comply with the entry-level driver training requirements as provided in Iowa Code section 321.188. To obtain or retain the hazardous material endorsement, the applicant or holder must pass a knowledge test as required under 49 CFR Section 383.121 and pay the endorsement fee. Retesting and fee payment are also required when an applicant transfers a commercial driver's license from another state unless, as provided in 49 CFR Section 383.73, the transfer applicant provides evidence of passing the knowledge test as required under 49 CFR Section 383.121 within the preceding 24 months. Pursuant to 49 CFR Section 173.5 effective October 1, 2024, a farmer or a person working for a farmer is not subject to the hazardous material endorsement while operating either a pickup or a special truck within 150 air miles of the farmer's farm to transport supplies to or from the farm.

**607.8(2) Passenger vehicle.** A passenger vehicle endorsement (P) is required to operate a passenger vehicle as defined in rule 761—607.3(321). Before the department administers the skills test for a passenger vehicle endorsement to an applicant for the first time, the applicant shall comply with the entry-level driver training requirements as provided in Iowa Code section 321.188.

**607.8(3) Tank vehicle.** A tank vehicle endorsement (N) is required to operate a tank vehicle as defined in Iowa Code section 321.1. A vehicle transporting a tank, regardless of the tank's capacity, that does not otherwise meet the definition of a commercial motor vehicle in Iowa Code section 321.1 is not a tank vehicle.

**607.8(4) Double/triple trailer.** A double/triple trailer endorsement (T) is required to operate a commercial motor vehicle with two or more towed trailers when the combination of vehicles meets the criteria for a Class A commercial motor vehicle. Operation of a triple trailer combination vehicle is not permitted in Iowa.

**607.8(5) Hazardous material and tank.** A combined endorsement (X) authorizes both hazardous material and tank vehicle operations.

**607.8(6) School bus.** A school bus endorsement (S) is required to operate a school bus as defined in rule 761—607.3(321). An applicant for a school bus endorsement must also qualify for a passenger vehicle endorsement. Before the department administers the skills test for a school bus endorsement to an applicant for the first time, the applicant shall comply with the entry-level driver training requirements as provided in Iowa Code section 321.188.

**607.8(7) Exceptions for towing operations.**

*a.* A driver who tows a vehicle in an emergency "first move" from the site of a vehicle malfunction or accident on a highway to the nearest appropriate repair facility is not required to have the endorsement(s) applicable to the towed vehicle. In any subsequent move, a driver who tows a vehicle from one repair or disposal facility to another is required to have the endorsement(s) applicable to the towed vehicle with one exception: A tow truck driver is not required to have a passenger endorsement to tow a passenger vehicle.

*b.* The double/triple trailer endorsement is not required to operate a commercial motor vehicle with two or more towed vehicles that are not trailers.

This rule is intended to implement Iowa Code sections 321.1, 321.176A, 321.188 and 321.189.
