

571—61.14(461A) Restore the outdoors program. Funding provided through the appropriation set forth in Iowa Code section 461A.3A, and subsequent Acts, shall be used to renovate, replace or construct new vertical infrastructure and associated appurtenances in state parks and other public facilities managed by the department.

The intended projects will be included in the department's annual five-year capital plan in priority order by year and approved by the commission for inclusion in its capital budget request.

The funds appropriated by Iowa Code section 461A.3A, and subsequent Acts, will be used to renovate, replace or construct new vertical infrastructure through construction contracts, agreements with local government entities responsible for managing state parks and other public facilities, and agreements with the department of corrections to use offender labor where possible. Funds shall also be used to support site survey, design and construction contract management through consulting engineering and architectural firms and for direct survey, design and construction management costs incurred by department engineering and architectural staff for restore the outdoors projects. Funds shall not be used to support general department oversight of the restore the outdoors program, such as accounting, general administration or long-range planning.
