

**261—107.2(82GA,ch122) Purpose.** The purpose of the targeted industries networking fund is to provide financial assistance to support sponsorships of networking events for the creation of new deal flow within the targeted industries. Sponsors of networking events will bring together entrepreneurs, start-up businesses, established companies, venture capitalists, and members of the academic research community to discuss new technologies, innovations, opportunities, resources, or needs of the targeted industries.
