

281—103.8(256B,280) Additional provisions concerning physical restraint. If an employee of a public school, accredited nonpublic school, or area education agency employs physical restraint, the following provisions shall apply:

1. No employee shall use any prone restraints. For the purposes of this rule, “prone restraints” means those in which an individual is held face down on the floor. Employees who find themselves involved in the use of a prone restraint as the result of responding to an emergency must take immediate steps to end the prone restraint;

2. No employee shall use any restraint that obstructs the airway of any child;

3. If an employee physically restrains a student who uses sign language or an augmentative mode of communication as the student’s primary mode of communication, the student shall be permitted to have the student’s hands free of restraint for brief periods, unless an employee determines that such freedom appears likely to result in harm to self or others;

4. Nothing in this rule shall be construed as limiting or eliminating any immunity conferred by Iowa Code section 280.21 or any other provision of law.
