

721—22.23(52) Report. The examiners shall prepare a report clearly stating whether the voting booth has been approved or denied approval for use in Iowa.

22.23(1) *Approval permits use.* If the report states that the voting booth has been approved for use, it may be adopted for use at elections.

22.23(2) *Copy filed with the secretary of state.* A copy of the report shall be filed with the secretary of state. A copy of the application of the vendor and all other documents submitted by the vendor shall be filed with the report and retained by the secretary of state.
