

261—54.4(73) Identification of targeted small businesses. Before a small business can participate in the Iowa targeted small business procurement program, it must be certified as a targeted small business by the DIA. The DIA will review applications from targeted small businesses to determine that they are eligible to participate in the program. Certification as a targeted small business by the DIA means that the business meets the minimum eligibility requirements; certification is not a representation that the business can perform targeted procurement.
