

**281—79.1(256) General statement.** Programs of practitioner and administrator preparation leading to licensure in Iowa are subject to approval by the state board of education, as provided in Iowa Code chapter 256. All programs having accreditation on August 31, 2001, are presumed accredited unless or until the state board takes formal action to remove accreditation. All administrator preparation programs must submit program documentation between August 31, 2001, and August 31, 2002, for approval of administrator preparation programs under these rules. Commencing August 31, 2001, all program approval evaluations will be conducted under these rules.
