

441—103.11(233A) Cost of care. The facility will seek to recover a portion of the cost of care pursuant to Iowa Code section 233A.17. In determining the amount to be recovered:

103.11(1) The student will be allowed to retain a personal allowance equal to the personal allowance amount established by the Social Security Administration for the Supplemental Security Income program.

103.11(2) The amount recovered shall not exceed the actual cost of care.

103.11(3) The cost of care will be determined using the average per diem multiplied by the total days of care.

103.11(4) The superintendent may grant a one-time exception to recovery of up to \$1,000 for a personal needs living expense if a student is being discharged and has no viable means of support upon release.

This rule is intended to implement Iowa Code section 233A.17.
