

871—25.16(96) State payment offset. An individual who is owed a payment from the state of at least \$50 and owes an overpayment of benefits of at least \$50 is subject to an offset against the individual's payment from the state to recover all or a part of the individual's overpayment of benefits and to reimburse the department of revenue for administrative costs to execute the offset. All overpayments, whether fraud or nonfraud, are included in this process.

25.16(1) If the individual has made no attempt to repay the overpayment of benefits within the preceding six months, the individual's name and social security number are given to the department of revenue.

25.16(2) The department of revenue notifies the department that an overpaid individual is owed a payment from the state. The department then notifies the overpaid individual of the potential offset against the individual's payment from the state.

25.16(3) In the case of a joint or combined income tax filing, the individual has ten days from the postmark date on the decision to request a split of the refund to ensure the other party's portion of the refund is not offset. When a request is made, the department notifies the department of revenue to make the split. The department then notifies the overpaid individual of the amount of the offset. If the request for split of the refund is not made timely, the entire income tax refund becomes subject to offset.

25.16(4) Any appeal by the individual is limited to the validity of the department's authority to recoup the overpayment through offset.

25.16(5) In the event that the amount of the offset exceeds the remaining overpayment, the department shall issue to the individual a special check equal to the amount of the excess.

This rule is intended to implement Iowa Code sections 96.11 and 421.17(26,29).
