

**701—46.10 (403) Targeted jobs withholding tax credit.** For employers that enter into a withholding agreement with pilot project cities approved by the economic development authority and create or retain targeted jobs in a pilot project city, a credit equal to 3 percent of the gross wages paid to employees under the withholding agreement can be taken on the Iowa withholding tax return. The employer shall remit the amount of the credit to the pilot project city. The administrative rules for the targeted jobs withholding tax credit program administered by the economic development authority may be found in 261—Chapter 71.

If the amount of withholding by the employer is less than 3 percent of the wages paid to the employees covered under the withholding agreement, the employer can take the remaining credit against Iowa tax withheld for other employees or may carry the credit forward for up to ten years or until depleted, whichever is the earlier.

If an employer also has a new job credit from withholding provided in rule 701—46.8(260E) or the supplemental new jobs credit from withholding provided in subrule 46.9(1), these credits shall be collected and disbursed prior to the collection and disbursement of the targeted jobs withholding tax credit.

The following nonexclusive examples illustrate how this rule applies:

**EXAMPLE 1:** Company A does not have a withholding credit under Iowa Code chapter 260E or a supplemental new jobs credit under Iowa Code chapter 15E. Company A enters into a withholding agreement, and the withholding rate for employees covered under the agreement is 4 percent of the wages paid. Company A will be allowed a credit on the Iowa withholding return equal to 3 percent of the wages paid to each employee covered under the withholding agreement, since the targeted jobs withholding tax credit cannot exceed 3 percent.

**EXAMPLE 2:** Company B does not have a withholding credit under Iowa Code chapter 260E or a supplemental new jobs credit under Iowa Code chapter 15E. Company B enters into a withholding agreement, and the withholding rate for employees covered under the agreement is 2.5 percent of the wages paid. Company B will be allowed a credit on the Iowa withholding return equal to 3 percent of the wages paid to each employee covered under the withholding agreement. The extra withholding credit equal to 0.5 percent may be used to offset withholding tax for Company B's employees not covered under the withholding agreement.

**EXAMPLE 3:** Company C has a withholding credit under Iowa Code chapter 260E of 1.5 percent of the wages paid to new employees and a supplemental new jobs credit under Iowa Code chapter 15E of 1.5 percent of the wages paid to new employees. Company C also enters into a withholding agreement for the same employees covered under the 260E agreement and supplemental new jobs credit agreement, and the withholding rate for employees covered under these agreements is 5 percent of the wages paid. Company C will be allowed a credit on the Iowa withholding return equal to 5 percent of the wages paid to each employee covered under these agreements. Since the community college receives disbursement of the credit before the pilot project city, the community college will receive 3 percent of the wages paid to each employee covered under the agreements, and the pilot project city will receive the remaining 2 percent of the wages paid to each employee covered under the agreements.

**EXAMPLE 4:** Company D has a withholding credit under Iowa Code chapter 260E of 1.5 percent of the wages paid to new employees and a supplemental new jobs credit under Iowa Code chapter 15E of 1.5 percent of the wages paid to new employees. Company D also enters into a withholding agreement for the same employees covered under the 260E agreement and supplemental new jobs credit agreement, and the withholding rate for employees covered under the agreement is 2.5 percent of the wages paid. Company D will be allowed a credit on the Iowa withholding tax return equal to 6 percent of the wages paid to each employee covered under these agreements. The extra withholding credit equal to 3.5 percent may be used to offset withholding tax for Company D's employees not covered under these agreements.

**46.10(1) Notification by the employer.** Once a withholding agreement is entered into with a pilot project city, the employer shall notify the department of revenue that an agreement has been executed. With this notification, the employer must also provide its address, tax identification number and the number of new jobs created under the agreement. In addition, for each year that the withholding

agreement is in place, the employer must notify the department of revenue by January 31 of the number of new jobs created as of December 31 of the preceding year.

**46.10(2)** *Notification by the pilot project city.* The pilot project city must notify the department of revenue on a quarterly basis of the amount of the targeted jobs withholding credit that each employer covered by a withholding agreement remitted to the city. This notification must occur within 45 days after the end of each calendar quarter. In addition, the pilot project city must notify the department of revenue immediately when a withholding agreement with an employer is terminated.

This rule is intended to implement Iowa Code section 403.19A as amended by 2013 Iowa Acts, Senate File 433.
