

605—12.4(29C) Use of homeland security and emergency response teams.

12.4(1) A designated team may be deployed in accordance with Iowa Code section 29C.8(3) “f,” 29C.21 or 29C.22.

12.4(2) A designated team shall be deployed as a state asset only by a directive from the director or pursuant to a governor’s disaster proclamation unless the sponsoring agency’s response team is needed to perform emergency services within its own jurisdiction. Should the response team perform emergency services within its own jurisdiction without a directive from the director or pursuant to a governor’s disaster proclamation, the team will be responsible for all associated costs.
