

761—500.10(326) Nonrenewal vehicle deletions. A registrant may delete vehicles from the fleet at any time after the commencement of the registration year. The plates and validation stickers must be returned to the motor vehicle division at the time of deletion. In lieu of returning the plates and validation stickers, a qualified registrant may submit a self-certification of IRP credential destruction on or before the vehicle's or vehicles' deletion date to the motor vehicle division. Operating a vehicle with credentials that were self-certified as destroyed will result in suspension of the self-certification privilege, and the registrant is responsible for any additional fees that would have been due beyond the stated destruction date.

This rule is intended to implement Iowa Code sections 326.12, 326.15 and 326.33.
