

761—500.11(326) Voluntary cancellation of registration. A registrant may cancel a transaction for IRP registration if the registrant notifies the motor vehicle division within 48 hours of the invoice date. The notice shall state the reason for cancellation, the licensing status and ownership and be signed by the registrant or its representative. If notice is not received within 48 hours or if a temporary evidence of apportioned registration was issued in accordance with rule 761—500.9(326), all registration fees must be paid in full.

This rule is intended to implement Iowa Code sections 326.6, 326.11 and 326.33.
