

761—605.10(307,321) Duplicate license.

605.10(1) *Lost, stolen or destroyed license.* Prior to replacing a valid license that is lost, stolen or destroyed, the department will verify the licensee's full legal name, date of birth and social security number and collect the replacement fee. A licensee subject to 761—paragraph 601.5(2)“b” shall provide the applicant's U.S. Customs and Immigration Services number, which must be verified by the department. The department may investigate or require additional information as may be reasonably necessary to determine that the licensee's identity matches the identity of record and will not issue the replacement license if the licensee's identity is questionable, cannot be determined or otherwise does not match the identity of record.

605.10(2) *Voluntary replacement.* The department will issue a duplicate of a valid license to an eligible licensee if the license is surrendered to the department and the replacement fee is paid. Voluntary replacement includes but is not limited to:

- a. Replacement of a damaged license.
- b. Replacement to change the current residential address on a license.
- c. Replacement to change the name on a license.
- d. Replacement to change the date of birth on a license.
- e. Issuance of a license without the words “under 21” to a licensee who is 21 years of age or older.
- f. Issuance of a license without the words “under 18” to a licensee who is 18 years of age or older. (If the licensee is under 21 years of age, the words “under 21” will replace the words “under 18.”)
- g. Issuance of a noncommercial driver's license to an eligible person who has been disqualified from operating a commercial motor vehicle.
- h. Replacement of a valid license before its expiration date to obtain a license that may be accepted for federal identification purposes under 6 CFR Part 37 effective January 1, 2024 (a REAL ID driver's license).
- i. Replacement to add a veteran designation to the license.

605.10(3) *Replacement upon attaining the age of 21.* A licensee, upon attaining the age of 21, who is otherwise eligible for a driver's license is eligible to electronically apply for a replacement driver's license under this rule for the unexpired months of the license, regardless of whether the most recent issuance occurred electronically.

a. Except for the requirements in subparagraphs 605.15(6)“a”(1) and “a”(2), the licensee must meet the eligibility requirements listed in paragraph 605.15(6)“a” or 605.15(7)“a” to replace the license electronically in addition to the following criteria:

- (1) The licensee must be at least 21 years old.
- (2) The licensee must currently hold a driver's license marked “under 21” as provided in Iowa Code section 321.189.

b. Notwithstanding any other provision of this chapter to the contrary, the department may accept an electronic replacement application if the licensee seeks replacement of a special instruction permit or a license with a single “J” restriction accompanied by a “9” restriction.

This rule is intended to implement Iowa Code sections 307.12(1)“j,” 321.13, 321.189, 321.195 and 321.208; the REAL ID Act of 2005 (49 U.S.C. Section 30301 note) as amended by the REAL ID Modernization Act, H.R. 133, Division U, Title X; and 6 CFR Part 37.
