

191—50.113(502) Duty to disclose. Issuers and agents equally share an affirmative duty to disclose all relevant and material information to prospective investors in viatical settlement investment contracts. The required disclosure is the registration statement required by Iowa Code section 502.304 which has been reviewed and made effective by the administrator.

This rule is intended to implement Iowa Code sections 502.102 and 502.201(9E).
