

191—50.62 (502) Streamlined registration for certain equity securities.

50.62(1) An equity security meeting the conditions of this rule may be registered pursuant to Iowa Code section 502.303 if all of the following conditions are satisfied, unless waived by the administrator, and except as provided by subrule 50.62(2):

- a.* The issuer must be a corporation organized under the laws of one of the states or possessions of the United States;
- b.* The offering price for common stock, the exercise price if the securities are options, warrants, or rights for common stock, or the conversion price if the securities are convertible into common stock must be equal to or greater than \$5 per share;
- c.* The issuer of the security has (or will have upon completion of the offering) total assets exceeding \$10 million;
- d.* The security will be offered under a firm underwriting;
- e.* The security is the subject of a registration statement filed on Form S-1 or Form SB-2 with the SEC; and
- f.* The registration statement filed with the administrator contains audited financial statements for each of the two most recently concluded fiscal years of its operations, and the audit for the most recent fiscal year does not include an auditor's report expressing substantial doubt about the issuer's ability to continue as a going concern.

50.62(2) Registration pursuant to this rule is not available if:

- a.* The issuer is a blind pool or other offering for which the specific business or properties cannot now be described; or
- b.* The issuer, a principal officer or a principal shareholder thereof, or a broker-dealer offering or selling the securities:
 - (1) Is subject to statutory disqualification, as defined by subparagraphs (A), (B), (C), or (D) of Section 3(a)(39) of the Securities Exchange Act of 1934;
 - (2) Has been convicted of any felony under federal or state law regarding the offer, purchase, or sale of any security, or any felony under federal or state law involving fraud or deceit in the ten years prior to the date of the offering;
 - (3) Is currently named in and subject to any order, judgment, or decree of any court of competent jurisdiction acting under federal or state law temporarily or permanently restraining or enjoining the person from engaging in or continuing any conduct or practice in connection with the offer, purchase, or sale of a security;
 - (4) Has filed a registration statement which is currently the subject of a stop order entered pursuant to any state's securities law within five years prior to the offering;
 - (5) Is currently subject to any state administrative enforcement order or judgment entered by that state's securities administrator within five years prior to the offering, or is currently subject to any state's administrative enforcement order or judgment in which fraud or deceit was found within five years prior to the offering; or
 - (6) Is currently subject to any state's administrative order or judgment prohibiting, denying, or revoking the use of any exemption from registration regarding the offer, sale, or purchase of any security, or involving the making of a false filing with the state within five years of the offering.

50.62(3) The unavailability of streamlined registration pursuant to this rule as a result of the disqualification of a party pursuant to paragraph 50.62(2) "b" may be waived by the administrator if the order, conviction, judgment or decree relating to the party's disqualification was disclosed in writing to the administrator and the administrator determines, based upon good cause shown, that the public interest no longer requires the party to be disqualified.

50.62(4) The administrator shall review a filing made pursuant to this rule within ten business days of receipt. Registration shall be effective upon review, or earlier if the administrator permits a shorter time frame, or comments explaining noncompliance will be promptly sent to the applicant.

50.62(5) The administrator shall not deny the effectiveness of a registration made pursuant to this rule based on subrule 50.66(13) or 50.66(15), or based upon the financial condition of the issuer under Iowa Code section 502.306(1) “*h.*”

50.62(6) The following securities shall be the subject of a lockup with the managing underwriter for no less than 180 days, or a longer period if requested by the managing underwriter of the offering:

a. A security issued to a promoter within three years immediately preceding the offering or to be issued to a promoter for consideration substantially less than the offering price; or

b. A security issued to a promoter for a consideration other than cash, unless the registrant demonstrates that the value of the noncash consideration received in exchange for the security is substantially equal to the offering price for the security. A copy of the lockup agreement shall be filed with the administrator.

50.62(7) For purposes of this rule, a “promoter” is:

a. A person who, acting alone or in concert with one or more other persons, founds or organizes the business or enterprise of the issuer;

b. An officer or director owning securities of the issuer, or a person who owns, beneficially or of record, 10 percent or more of a class of securities of the issuer if the officer, director, or person acquires any of those securities in a non-arm’s-length transaction within the three years prior to the filing of the registration statement pursuant to this rule; or

c. A member of the immediate family of a person described in paragraph “*a*” or “*b*” of subrule 50.62(7) if the family member receives securities of the issuer from that person in a non-arm’s-length transaction within the three years prior to the filing of the registration statement pursuant to this rule.

This rule is intended to implement Iowa Code section 502.303.
