

**265—29.1(16) Purpose.** This chapter defines and structures the jump-start housing assistance program to aid individuals whose homes, located in parts of Iowa declared by the President of the United States to be disaster areas, were destroyed or damaged by the natural disasters of 2008. Under the program, the authority may grant funds in accordance with this chapter to local government participants, including certain Iowa councils of governments, cities, and counties. The local government participants shall, in turn, loan funds to eligible residents under the conditions specified in this chapter to assist those eligible residents in purchasing homes generally comparable to those they lived in prior to the occurrence of the natural disasters of 2008, in repairing or rehabilitating disaster-affected homes, and in making mortgage payments and paying for other eligible property-carrying costs while the eligible residents await a property acquisition of their disaster-affected homes.
