

561—2.14(17A,22) Personally identifiable information. This rule describes the nature and extent of personally identifiable information which is collected, maintained, and retrieved by the agency by personal identifier in record systems as defined in rule 2.2(17A,22). For each record system, this rule describes the legal authority for the collection of that information, the means of storage of that information and indicates whether a data processing system matches, collates, or permits the comparison of personally identifiable information in one record system with personally identifiable information in another record system. Records maintained by the department of natural resources, the environmental protection commission and the natural resource commission are in accordance with guidelines as set forth by the state records commission's file system. An updated index is maintained by the department and is available for public inspection. Records are collected pursuant to authorities contained in Iowa Code chapters 106, 107, 109, 109B, 110, 110A, 110B, 111, 111A, 111B, 112, 321G, 458A, 460A and Iowa Code Title XI, subtitles 1, 2, 3, 4 and 6.
