

11—25.4(8A) Application of standards to nonparticipating entities.

25.4(1) Nonparticipating entities are required to consult with the department prior to procuring information technology.

25.4(2) Nonparticipating entities are also required to consider the operational standards recommended to agencies by the department.

25.4(3) Upon the decision by a nonparticipating entity regarding acquisition of information technology, the entity shall provide a written report to the department.
